

Sunday Menu

Please read below:

We do **not** do **Vegan** or **Gluten free** roasts; due to being a small kitchen it is not something that we are able to offer.

Our menu is forever changing with the seasons and on a weekly basis; below is a sample menu for our Autumn Sunday Roasts. For **pre orders** this is the **menu** that is **available to order from**.

Please note, on the day there will be a selection of small plates and starters to choose from that change weekly; these are not available to pre-order, however if you wish to order additional small plates or starters on the day you are more than welcome to and will be provided with the menu on the day.
